

Returning to Israel to Record the Final Lesson Videos!

One of the comments we regularly receive is how helpful it is to see the locations of the biblical events as people study them. Another comment is how important video is these days. These comments repeatedly affirm our commitment to providing videos to accompany the discipleship journey lessons we provide.

Therefore, we are excited to announce that the tickets have been bought, plans have been made with Michael Hilsden of Aspiring Productions, and Dr. Mark Alan Williams is ready to return to Israel to record the last of the DJJ journey videos. This trip will be from April 28th to May 17th. We will have 208 Journey videos for the 104 lessons (plus several other videos) in Israel, Egypt, Turkey, Greece, and Italy, when these videos are released.

This final trip was initially planned for Fall 2020 but was delayed by the pandemic. Anticipated expenses have risen due to several factors, such as: increased travel costs, extra recording days, and additional videos. **Therefore we need an additional \$17,000.**

If you can help with the funding of these videos, please mark the box labeled "video recording" on the enclosed Pledge Card. You can also donate online at djministry.org/donate.

We trust God for the final funding for this trip, the recordings, and the post-production afterward. Thank you for your financial support of this ministry.
