

Dear Ministry Partner,

DJJ is dedicated to “Making Discipleship Doable” for everyone. Together we have reached some fantastic goals in the past 6 years. We estimate that DJJ lessons have been used by almost 700,000 people in 113 countries worldwide! **God has been gracious in growing DJJ’s mission through the faithfulness of many!**

You can read of the **many changed lives** due to these discipleship journeys, like Barbara Calderone’s testimony on the other side of this letter. Or you can read about Mark Bango in Liberia, an alcoholic who came to Christ and was immediately discipled using DJJ. His story is on the English and Spanish websites, along with many more testimonials (see the Stories Around the World tab).

As you know, there is high inflation worldwide, which increases the cost of doing ministry and causes a decline in donations for some. As a result, we are facing a monthly support deficit and, at the same time, need to complete a big project (see the next paragraph). **I humbly request your increased financial support for Discipleship Journeys with Jesus.**

The **release of the Old Testament lessons** is a significant undertaking. Many are waiting for it. All the lessons have been written and have gone through our beta-testing process. Now, the design setup and editing need to be completed. Lord willing, Old Testament Quarter 1 will be released in May, and the other quarters soon after. But help is needed. **The cost to complete this project is \$14,000. This amount will cover the design and editing of the lessons plus the final post-production costs of the videos recorded last May.**

Your donation will make a significant impact in bringing this project to completion. Any amount, big or small, is greatly appreciated.

To donate, you can go to djjministry.org/donate or use the QR code to find the many ways to donate, such as through online giving, PayPal, and more! **Thank you for your support of DJJ!**

The Old Testament Journey 62 video was recorded on Mt. Sinai (also known as Mt. Horeb, or “God’s Mountain”)

"I thought I was a well-seasoned Christian, having had a life-changing experience with Jesus in 1974. But in about 2019, I joined a ladies Bible study under the leadership of Carolyn Williams.

We completed DJJ New Testament Quarters 1 to 4. **DJJ continued to change my life** as I grew spiritually since the journeys illuminated the "light bulbs" of my understanding. I desire to follow Jesus the way that the Apostle Paul did. I, too, have some thorns in my flesh.

I have to say, all 52 Journeys helped me! **I was challenged, more and more**, seeing the courage of Paul, who had the power of the Holy Spirit, to spread the Word, the Truth, and the Life. I have that same calling, by the power of the Holy Spirit who lives in me too. I prayed for boldness, and God answered my prayers and gave me a "green light" by opening doors to share the sure foundation and love of Jesus with others, believers and non-believers.

Thank you, Dr. Mark Williams and Carolyn, and all the DJJ staff and supporters, who bless others with a "gift that keeps on giving."
