DJJ 1st Anniversary Celebration, 2017

## TEAM KENYA

**Last month**, at Yumbisye Secondary School, a Public Secondary School located in Kitui County, Kenya, Regional Coordinator Kennedy Karanja led a DJJ Partnership Training for leaders and educators. The next day, he spoke for a gospel outreach rally with 800 in attendance. Four hundred of those students, ages 15-19, received Jesus Christ as their Lord and Savior. One hundred of these new converts returned the following Saturday for DJJ discipleship. Some confessed to using drugs but purposed to live for Christ.

Pray for this disciple-making movement in Kitui County, Kenya!
