

Why do we do what we do at DJJ?

One simple reason, for Jesus, God's Son, the second person of the tri-unity of the eternal Godhead.

We are so grateful that so much of the world celebrates His birth.

- ◆ Yes, it is commercialized.
- ◆ Yes, many do not know the true meaning.

But what an opportunity to share about the One of whom it is said, "...at the name of Jesus every knee should bow, in heaven and on earth and under the earth and every tongue confess that Jesus Christ is Lord, to the glory of God the Father." (Philippians 2:10-11)

Pray about whom you would share this good news of Jesus Christ with this holiday season.

May He grant you a joyous celebration of His birth.

Testimony of the Month– Miatta G. Simpson

Mother Miatta G. Simpson

Disciple-Maker: Pastor Issac K. Simpson

City of Light Church
Kakata City, Liberia

Before attending the DJJ Partnership Training, I was a problematic person at church and in the home. I was not a good representation of a pastor's wife, to the point that the City of Light-Kakata Branch was falling apart. I want to take this time to ask and pray to God for forgiveness.

Studying these lessons, especially Quarter 2 Journey 21, Jesus' Journey to Persistence, helped me work on myself and learn to support my husband in the work of God. I am working with my husband. I now see him as my spiritual leader. The devil can use anybody to fight the work of God, but he will never succeed, and God can use any man to destroy the work of the devil. God is using me to empower the DJJ lessons to bring back those I caused to leave the church.

Now, I am an encourager! I have started a DJJ group that is learning about sharing the word of God with others in their communities and workplaces. Having realized these outputs in my life, **I am very happy that God is using me to make men and women effective in serving God through the DJJ Ministry.**

It is a great joy to celebrate the lives transformed by the DJJ lessons! Please use the "Share Your Story" button on the About Us/Stories Around the World web page if you have a testimony to share. Please include a picture, preferably holding the DJJ lessons or your Certificate of Completion.

We may feature your testimony next!
