

A Roadmap to the Journey You've Always Wanted to Take

February
2018

Have you ever felt like there was something “more” you could be doing in your walk with Christ? But, then when you sat down to do something you just didn’t know what to do? Where to start? Have you ever done the thing, where you say, I’ll open the Bible and wherever my finger points, that MUST be where God wants me to read? I know I have and I am pretty sure that I am not alone in this one.

The great news is that through **Discipleship Journeys with Jesus**, you won’t have to play a guessing game of what you should do, when you should do it and where you should start. Most of us would look at a map before we started out on a journey. We would know where we wanted to end up. In this case, we desire to become a “**fully devoted follower of Christ**” or what the Bible calls “**a disciple**.”

In 2016, **Mark Alan Williams** developed a roadmap that if followed will take you on a journey with Jesus as your guide. How incredibly cool is that? **I want to go on a journey with Jesus!** How about you? **If you are ready to make 2018 the year you take big steps to growing in your walk with Jesus, come join along.**

If you are ready to be all in, go to djjministry.org and click the “Get Lessons” or go to the “Materials” tab. If you are not sure you are ready to be all in and want to sample the lessons, click the “Free Samples” button. **Either way, you will be doing a great thing by taking your first step on the journey.**

Since DJJ has started we have had the lessons used in **small groups, one day discipleship classes, individual mentoring and in a homeschool setting.**

Small group attendee **Sean Sebro** says: *“What I like about DJJ is that it expands on the simplicity of the Christian life, laying down foundational truths that result in a strong, steady faith.”*

Another attendee **Debbie Fernandez** says: *“The DJJ study has really been an eye-opener for me as we study Jesus’ Journeys in different places.”*

Graham Foster’s Small Group Members who completed Quarter 1 at New Song Community Church. Sean Sebro, Debbie Fernandez, Richard Fernandez and Graham.

Are you ready to go on this Discipleship Journey with Jesus?

All for His Glory,

Church Planting Journeys with Jesus
Lessons 14 to 26

Announcements

Release of Quarter 2 Lessons and Videos

We are pleased to announce that Lessons 14 to 26 are now on the website! Look for them at djministry.org.

In this quarter (13 lessons), we study “**Church Planting Journeys with Jesus**” in the book of Acts. When Jesus gave His Great Commission to “**go and make disciples,**” the implication was that there must be church planting. The Acts of the Apostles records how church planting began. **Not all Christians are called to be church planters, but every Christian must learn from the church planting journeys in the book of Acts.** There are many wonderful lessons in Acts that can help us become more mature disciples.
