

Partnership Training: Creating Disciples Around the World

Thank you so much to all who are supporting DJJ through your prayers and donations. God is enabling us to create disciples around the world. It is thrilling. Our discipleship journeys have been downloaded in 95 countries so far! The most recent is Samoa, a Polynesian island country.

Last fall, we completed a revision of our Partnership Training, which includes training to appoint Ambassadors. Ambassadors are trainers authorized to train our material. Altogether in 2020, our team held 17 Partnership Events

One of the events was a digital training I led last fall with people from 23 countries participating, including Nicaragua, Cameroon, Singapore, Barbados, and so on. We made excellent contacts in several countries and are doing follow-up to help them disciple their nations

Earlier this month, we held an online "reunion" with several who had attended. David Ngwa from Cameroon reported that he had started a DJJ *WhatsApp* group with over 100 being disciplined through it. He also has 30 people meeting online, and he is mentoring other pastors to use the DJJ lessons. One of them, a pastor, preached our first lesson, "Jesus' Journey to the Cross," to his church. One man was sobbing and committed his life to Christ that day!

Sun-Yee Ho (pictured below) shared how he uses the discipleship journeys where he lives in Singapore and in The Philippines, where he has significant contacts. One group comprises military and police leaders, including a 3 star general and three 2 star generals in the Armed Forces of the Philippines and Philippine National Police. He is also encouraging a Pastor with the Pamilya Muna Pilipinas (Family First Philippines) to consider doing the DJJ lessons with his outreach group of more than 40 rural pastors in the Philippines. **Glory to God! He is doing great things!**

The online event was so successful that we are holding another Zoom Partnership Event. The dates are Tuesdays, February 23, March 2, and March 9, from 7-10 AM P.S.T. You are invited to join us for this online event. If you would like to register, R.S.V.P. through this link: <https://forms.gle/H7LV1NciWZS1Q-jP88>, or email service@djjministry.org.

Once again, thank you so much for your concern, prayers, and financial support.

I found Discipleship Journeys with Jesus on the internet while searching for easy-to-use materials for discipleship in September 2019.

In January 2020, Dr. Mark Williams came to Uganda, and I attended the Partnership Training held near Entebbe. There I met and now work with the Uganda Regional Coordinator, Godfrey Kakembo, as an Ambassador.

Recently, I translated New Testament Quarter 1 into Lusoga and Ateso. I will also be translating into Acholi and Langi this year.

Prayers for Uganda

2. Open doors for teaching and preaching.
3. Open doors for new discipleship groups.
4. Thank God for the Lusoga translation of New Testament Quarter 1 now available to download on the DJJ website.

Ministry Value Number Four: Spirit and Truth

So far, we have introduced you to:

- **Value One: Strategic Partnerships.**
We provide a resource for strategic partners to multiply disciples.
- **Value Two: Ministry to the most spiritually needy.**
We focus on providing free digital materials where they are most needed.
- **Value Three: Excellence.**
We seek to be the best we can and do the best we can for the Lord Jesus.

Now let's focus on:

- **Value Four: Spirit and Truth.**
We minister in the power of the Spirit and faithfulness to the teachings of Scripture.

What this means: Jesus said, "God is a Spirit: and they that worship him must worship him in spirit and in truth." (John 4:24) We need **both** the power of the Holy Spirit and the teaching of the Holy Bible. Without either, we are severely disadvantaged.

We need the **SPIRIT**: "'Not by might nor by power, but by My Spirit,' Says the LORD of hosts." (Zechariah 4:6b) We ask for and welcome the work of the Spirit in people's lives and our ministry!

We need the **TRUTH**: "All Scripture is inspired by God and is useful to teach us what is true and to make us realize what is wrong in our lives. It corrects us when we are wrong and teaches us to do what is right. God uses it to prepare and equip his people to do every good work." (2 Timothy 3:16 NLT)

Our lessons are based on a personal study of the Scriptures. Also, we provide memory verses and "Checkpoints on Your Journey" at the end of each journey to help the disciple understand related biblical teaching.

When the Bible speaks to an issue, we accept what it says and refuse to deviate. When it does not speak, we look for biblical principles to guide us.

DISCIPLE REPORT

Testimonies of lives changed through DJJ discipleship

Kabugho Yonek
God's Power for All Nations
Uganda, Africa

My name is Kabugho Yonek and I am from Uganda. I am grateful to God for encountering the Discipleship Journeys with Jesus' lessons because I am now a new person in Christ. Through these materials, I have got to know God's love for mankind, and on an individual level, I now know that no matter what, God knows and loves me so much.

Before, I never knew how to use Scriptures when praying, but now I can testify that I have scriptures saved in my head that I use. I before didn't take Baptism as an important thing, but since I studied JESUS' JOURNEY TO THE JORDAN RIVER, I made up my mind and got baptized. I feel transformed.

By studying DJJ materials, I have learnt more about the cross's reality and the Holy Spirit's power.

All in all, I am grateful to God for the vision bearer, my pastor, and all those who are standing to support this ministry. May the good Lord continue blessing you and give you more Grace to serve.

We love celebrating the stories of lives transformed because they are going through the DJJ lessons. If you have a testimony to share, send it to service@djjministry.org.

Please send a picture, preferably with a copy of the DJJ lessons or your Certificate of Completion in hand. We may feature your testimony next!
