

## HAVE YOU CONSIDERED GOING TO ISRAEL?

Before travel shut down in 2020, close to 50 people had the joy of walking where Jesus and other Bible leaders walked on DJJ's 1st Israel Pilgrimage. It was a fantastic experience! Before the pilgrimage, many group members went through DJJ's New Testament Quarter 1, making the locations come to life even more.

### Next year, from April 17-27th, DJJ is returning to Israel!

It would be great for you to be with us and see sites like:

- The Sea of Galilee
- Capernaum
- Cana
- Bethlehem
- Jerusalem
- Mount of Olives
- Gethsemane
- Garden Tomb
- Jericho and many more!

A flyer with more information is available in English and Spanish on the DJJ Website here:

To make a deposit and hold your spot, click the link there or download and return the registration form.

If you have any questions or flight origination changes, please email [service@djjministry.org](mailto:service@djjministry.org), and we will gladly assist you.

A pilgrimage to Israel helps put the black and white pages of Scripture into living color! It can be life-changing. One couple said, "It is the best money we ever spent." Please prayerfully consider this amazing opportunity.

In addition, if you are a pastor or ministry leader who would like to have a group join DJJ on this pilgrimage, reach out as we have a special offer for you!

6. Pray for a **Partnership Director, Communications Director, and Stewardship Team staff to join DJJ.**
7. Pray for **people worldwide who are currently in discipleship groups, or starting groups**, that they will have transformed lives and will disciple others.

## Testimony of the Month~Matthew Hansen

**Matthew Hansen**

**DJJ Partnership  
Team Assistant**

California, United States

Since the inception of Discipleship Journeys with Jesus in 2016, Matthew has volunteered in many capacities. Now, he serves as an interim Partnership Team Assistant and helps with Epsilon-testing the lessons.

He recently said: "I love that everything I need to know is included in each lesson being taught. Most lessons are easy to understand and simple, even when I was younger.

Now that I am finished with High School, I will have time to do more discipleship and move my relationship closer to God. I plan on becoming a disciple-maker.

My favorite journey so far is *Jesus' Journey to Antioch of Pisidia* (New Testament Quarter 2, Journey 21). I learned about sharing my faith with others in a respectful manner. I can easily participate in my small group discussions as I know the Bible better now!

**My knowledge of the Bible has broadened in a new way through the journeys!"**

It is a great joy to celebrate the many lives transformed by the DJJ lessons! Please use the "Share Your Story" button on the About Us/Stories Around the World web page if you have a testimony to share. Please include a picture, preferably holding the DJJ lessons or your Certificate of Completion.

**We may feature your testimony next!**
