Please pray that...

1. ... we continue to receive reports from around the world of the lives that have been transformed by Christ through DJJ discipleship materials.
2. ... we have some key staff positions filled, by support-raising missionaries or volunteers. Our most urgent need is to have a Partnership Director, a VP of Development, a Foundation Fundraising Specialist and volunteers to help manage the communication via email and social media.
3. ... we can quickly complete the rest of the New Testament materials for release and that the Old Testament materials will be released by the end of the year.
4. ... we will have many volunteers offer their translating services.
5. ... we will be able to release the mobile app this year.
6. ... we can have our newly created Latin America website in at least 2 languages by the end of the year.
7. ... we are able to create children's materials that will be engaging for elementary and preschool.
8. ... we are able to find a graphic designer who knows how to illustrate for preschool and elementary.
9. ... we are able to format our materials for homeschooling use for middle and high school and for a syllabus to be developed for college level students.
10. ... we are able to hold 4 partnership trips. Two in Africa, one in Myanmar and one in South America.
11. ... we are able to develop key leaders who will be regional representatives in their countries.
12. ... we can partner with more ministries, educational institutions, and denominations which will use DJJ discipleship materials.
13. ... we are able to promote DJJ effectively.
14. ... we complete the Old Testament lesson writing.
15. ... we complete the first two quarters of videos for the Old Testament material and can release OT Q1 by the end of the year.
16. ... God guides our staff and Board of Directors.
17. ... we are fully funded to meet the budgeted needs and desires.
18. ... every staff member, volunteer, donor, subscriber, pastor, church and ministry associated with the ministry has good health and spiritual protection.
19. ... the ministry continues to move closer to the vision of taking 100 million people on Discipleship Journeys with Jesus.
