Dear Friends,

In these pictures, you can see what God is doing through **Discipleship Journeys with Jesus**, in Liberia, West Africa.

These precious believers found our free discipleship journeys on the internet and started using them right away. When they finished, they asked for their Certificates of Completion and held a parade right through the center of Kakata City to celebrate! Pastors and leaders from 3 of the 5 districts in Margibi County completed the lessons and have received their Certificates of Completion. They have plans to start Quarter 2 and for more Quarter 1 groups.

We talked with Pastor David Gbalee (bottom photo/white shirt), who said,

**“It’s our plan to cover the entire country with DJJ ministry. Please pray with us that your vision should be fulfilled in Liberia.”**

Why would he say this? It’s because there is such a desperate need for an easy strategy to make disciples.

**God is on the move through DJJ. This kind of response is happening around the world!**

**Friends, our ministry just celebrated our 3rd Anniversary! In these three short years, we have been blessed by the Lord to:**

- Produce 52 New Testament discipleship journeys.
- Record 2 videos for each lesson, on location in the lands of the Bible.
- Upload 2 quarters to our website in English (26 journeys).
- Translate and upload 1 quarter in 2 other languages: Portuguese and Chichewa.
- Partner with translators to have several other languages coming in 2020.

**As a result of all this effort:**

- People in 64 countries have downloaded DJJ materials!
- We estimate that 9,000 people are already using them to make disciples!

**We need your help to reach our God-given vision to take 100 million people on discipleship journeys with Jesus.**

## Opportunity One: Matching Special Donations

**We have received commitments for \$12,000 to match other's donations.** This means, that up to \$12,000, your special gift will be doubled. In other words...

- \$100 becomes \$200
- \$250 becomes \$500
- \$500 becomes \$1,000
- \$1,000 becomes \$2,000
- \$5,000 becomes \$10,000
- And so on...

**Would you please consider sending a special match gift?**

**We'd love to reach this matching goal of \$12,000 so we can continue to advance the Kingdom.**

## Opportunity Two: Monthly Commitments

While the lessons (in PDF form) and videos are free to all, they are not free to provide. To care for the ongoing needs of this ministry, we need monthly financial commitments.

**You can help reach the goal of discipling 100 million people to grow in maturity and intimacy with Jesus:**

- \$50 a month will provide a weekly discipleship curriculum for 5 small groups in a developing country. That's an average of 30 people being disciplined!
- \$100 a month provides discipleship for approximately 60 people.
- \$150 a month provides discipleship for approximately 90 people.
- \$300 a month provides discipleship for approximately 180 people.
- And so on...

**Would you please pray about making a monthly commitment in any amount?**
